April 16, 1979

Dear Mr. Krits:

Enclosed are the documents and news clippings which I said that I would get to you during our phone conversation last week. I have also sent this same information to Elvera Ruby of Meta TV in Washington, D.C. She was the producer of the show "WHO KILLED KING" I have also enclosed a copy of the letter that I wrote her.

Because of the following list, I believe it would be important for St. Louis educational television to take a role in the entire matter relating to King.

1) Ray's grew up around Quincy, Illinois.
2) Lived at times in St. Louis and in Alton, Ill.
3) Sister presently lives in Lenay
4) John Ray lives in St. Louis
5) Jerry Ray in and out of St. Louis
6) The Missouri State Penitentary story
7) The Byers story
8) The Alton bank robbery
9) The St. Peter's bank robbery
10) The Patterson story
11) The Washington, D.C. Meta report.

I would like to meet with you sometime in the near future to see if a program such as we discussed could be possible.

It would certainly be worthwhile.

Thank you very much.

Sincerely,

Oliver Patterson
